Northwind Gear ? Product Guide

TRAILBLAZER TENT
The Trailblazer is a 3-season, 2-person tent weighing 2.4 kg. It uses a freestanding aluminium pole structure and a 68D polyester flysheet with a 3000 mm waterproof rating. Setup takes about 5 minutes. The Trailblazer Tent comes with a 2-year limited warranty covering manufacturing defects in materials and workmanship.

SUMMIT SLEEPING BAG
The Summit is a mummy-style sleeping bag rated to -5°C (comfort) and filled with 700-fill-power responsibly sourced down. It weighs 1.1 kg and packs to 20 x 30 cm.
Care: machine wash cold on a gentle cycle with a down-specific detergent, then tumble dry on low with two clean tennis balls to restore loft. Do not dry clean. The Summit Sleeping Bag carries a 3-year warranty.
